

# A KING AND HIS ARMY

Dr. Bill Faught

“What good is a king without an army?”

# A KING AND HIS ARMY

# 01 Becoming A Leader Worth Following

01

## Jesus, the First

- Be the first to say "I Love You"
- Be the first and the best
- The first to be misunderstood (family issues)
- The first to be criticized and ridiculed
- The first pattern son for others to follow
- The first to commit
- The first to be tempted (gatekeeper)
- The first to be affirmed

02

## Jesus, the Last

- The last to be offended (Blessed be the man who is not offended)
- The last to be healed (of His own wounds)
- The last one praying (wait for one hour)
- The last one standing (will you leave Me also?)
- The last to eat (fasting)
- The last one to compromise (bi-standards)

03

## Jesus, the Beginning

- The Initiator
- The Standard
- The First Fruit
- The Caretaker
- The Shepherd who leads
- The One who resurrects

04

## Jesus, the End

- The Lord and King
- He will receive the reward for His labor
- Labor is not in vain
- All will be revealed (wood, hay, stubble)
- His reward in in His hands (Rev. 22:12)

02

DNA, Mission,  
Culture, Strategy

01

## DNA

Every tree bears fruit according to its own kind  
(Genesis 1:11) [It can be transplanted]

Duplication

Multiplication

Increase

Fruit

The Apostolic Church (the apple)

Like precious faith (2 Peter 1:1)

Like-minded (Philippians 2:20)

God ideas vs. Good ideas

02

## Mission

Values are the things we are the most  
intentional about

Whatever we value becomes our mission

Do we really believe all that we advertise?

## DNA, Culture, Mission and Strategy form identity, purpose, and focus for an organization

### ▶ Culture- (expectations)

Today's emerging church models:

Andy Stanley (North Point)

Brian Houston (Hillsong)

Robert Morris (Gateway)

Frank Damazio (City Bible)

Rick Warren (Saddleback)

T. D. Jakes (Potter's House)

Bill Hybels (Willow Creek)

Mark Driscoll (Mars Hill)

Model Confusion

### 04 Strategy

Plans are pipe dreams until strategies are  
developed

The strategy includes biblical precedents &  
mandates

Building a school for the Batwa

Vision

  
**01**

## Division

Division is “twice visioned” or double vision. Division happens in a group that has more than one vision.

Matthew 6:22-23 “Your eye is like a lamp that provides light for your body. When your eye is healthy, your whole body is filled with light. But when your eye is unhealthy, your whole body is filled with darkness. And if the light you think you have is actually darkness, how deep that darkness is!

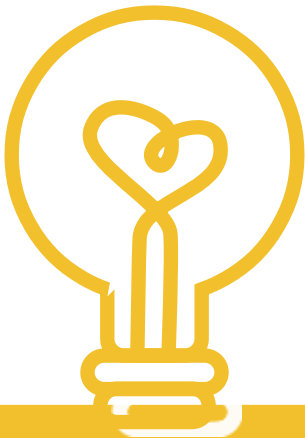

**02**

## Vision

The vision can be compared to a womb and a pregnancy:

Corporate womb of the Church

- 1<sup>st</sup> trimester- the faith stage 
- 2<sup>nd</sup> trimester- the confirmation stage
- 3<sup>rd</sup> trimester- the preparation stage

**“The Vision is all that matters.”**

Building Teams

  
**01**

## Gathering An Army

Battling Loneliness

The Kingdom of God is upside down from the world's organizational systems

The Pyramid System

The Ironic Kingdom (Jehovah)

The Trinity

The Antioch Model

**02**

## Assessing The Team

"Know them that labor among you."

"Not a novice." (Are they proven?)

King Solomon

Jesus and His Team

Church of Jerusalem

God's answer is to send a leader

Do you know personality types?

Are you acquainted with strengths and weaknesses?

Do you know anything about the family?

"If you want to go faster, go alone; if you want to go far, go together."- an African proverb 

## Leadership Goals

Honor Diversity

Close Ministry Relationships

Mutual Kingdom Partnership and Investment

Never stop developing the TEAM

**03**

## Selecting The Team

By character, not the ability of the person  
After much prayer and seeking God  
After examining others' feelings about the individual

**04**

By their dedication to Jesus Christ  
By their specific ministry and calling  
By their love for lost souls  
By their love for God's people  
A willingness to serve when unnoticed  
By their unity in spirit
